SEARCH FOR A TALENTED SHOW JUMPER

Every year, Graham & Tina Fletcher give up their time to judge this fantastic competition.

It is open to anyone of 10 years of age or over and is free of charge to enter.

Once entries have closed on Friday 22nd September, all of the application forms are sent to Graham & Tina. The entrants are then assessed and approximately 40/50 are selected to take part at Countryside Live, which is held on Saturday 21st and Sunday 22nd October.

If you are lucky enough to be selected, you will be given a time slot where you will perform in the Indoor Ring at Countryside Live. Graham and Tina will have studied your application form and tried to place you in a group of riders of a similar standard. The group will be tested over a course of jumps according to their ability. At the end of the group session, the riders that have been selected will be informed and given a Finalist prize card. The riders that have not been selected will all receive a Talented Show Jumper rosette to take home.

If your time slot is on the Saturday and you are lucky enough to be selected to go through to the Final on Sunday afternoon, we can provide a stable for your horse/pony to stay on the showground overnight.

The lucky riders will be notified in the week prior to the Show and all tickets will be posted out at this stage.

The winner of the competition will get to spend a couple of days at Graham & Tina's yard, plus prize money of £300.

46 Judges Interest in Exhibits

Exhibitors are not permitted to enter any animal/s in a class which is to be judged by a person who has or who has had a financial interest in the animals, or which has stood in his/her stable. Stud fees are not considered to be financial gain. The onus of complying with this regulation rests entirely on the exhibitor.

47 Protective Headgear

Due to a change by the European Commission regarding EN1384 and BSEN1384 no longer being an accepted standard, all hats which only meet those standards, and do not comply with another approved standard from the list below will not be acceptable at the Show.

All riders of horses, donkeys or ponies on the showground or exercise areas are now required to wear head protection (hard hat) that conforms to the following standards for head protection for equestrian activities PAS 015 (1998 or 2011) with BSI Kitemark, VG1 01.040 (2014-12) with BSI Kitemark, ASTM F1163 (2004a or 04a onwards) with SEI mark, SNELL E2001 with Official SNELL label and number, AS/NZS 3838 (2006 onwards) with SAI Global mark. 49 Responsibilities of Equine Exhibitors with reference to Class Timings

It is the responsibility of the exhibitor to ensure they arrive on the showground in sufficient time for the commencement of their classes. Any ring timetables publicised are provisional and may be subject to change. The Society will not accept responsibility for any exhibitor missing their class(es) and under no circumstances will fees be refunded.

50 Dope Tests

The Society forbids the administration of tranquilisers or other substances which affect the behaviour or performance of any animal at Show. The Yorkshire Agricultural Society will uphold the rules of the recognised Breed Society in the respect of the administration of forbidden substances to show exhibits and will permit such societies to carry out any tests or inspections provided for in their rules. In the event of any such test proving positive Societies may be expected to take disciplinary action in accordance with their rules. Any exhibit found or deemed by the appropriate Breed Society to have received a forbidden substance may be required to return all prizes and awards won at this Show.

- 58 Marking Sheets** may be used by the judges in the Ridden classes throughout the Equine section. Unless specified by a Breed Society these will NOT be available to anyone other than Show officials.
- 59 Equine Welfare** is of paramount importance and all riders should be of an appropriate size and weight for the horse/pony being ridden (anywhere on the showground, exercise areas or vehicle parks, day or night). The Society reserves the right to take further action (See Disqualifications, Sanctions and Exclusion Orders) against any competitor or exhibitor whose animal is being ridden (anywhere on the showground, exercise areas or vehicle parks, day or night) by **anyone** whose size or weight compromises the welfare of the horse/pony being ridden; this would be based on the recommendations of the on-site veterinary team, who will use the 20% ratio as a guideline (this means the combined weight of rider plus their saddle should be less than 20% of their animal's weight).

By completing the entry form you are conforming to the following:** You are stating that you understand, confirm and agree to the following statement "To the best of my knowledge and belief, the animal(s) I have entered is/are free from any clinical disease at the time of entry. Evacuation & Safety Announcements

In the unlikely event of an evacuation of the Showground please follow any instructions given to you by Stewards, Officials or Police Officers or over one of the public address systems. You will be directed to vacate the Showground by the nearest exit and to go to the back of the car park opposite the exit to wait for further instructions, unless advised otherwise.

If a full or partial evacuation of the Main Ring or White Rose Ring Grandstands, Exhibition Halls or Fashion Pavilion is required an announcement will be made over the PA system in those areas.

Please listen carefully to any safety announcement which may direct you to a specific area on or around the Showground. Evacuation should be undertaken calmly and quickly taking any personal items with you. Stewards, the Police and Officials will direct and provide you with further information. Further announcements may be made explaining the nature of the incident and any additional action you may be required to take.

You should not attempt to re-enter the Showground or a building until you are advised to do so for safety reasons.

Health & Hygiene

Visiting Countryside Live is an enjoyable and educational experience for many people, particularly children. However, such visits can never be free from all risks. Farm animals may carry bacteria that may be harmful to people.

The bacterial infection *E. coli* O157 is a particular health risk, especially for children under 5, and pregnant women. Animals may carry bacteria, even when they appear clean and healthy.

When an animal is infected the bacteria will be in the animal's droppings and may be on its body, fences and surfaces adjoining its pen or stall. Touching animals, fences and other surfaces can lead to infection, as the bacteria may be picked up and accidentally passed to the mouth.

Washing hands thoroughly with soap and water immediately after contact with animals will reduce the risk of infection. Hand gels or wipes are not a substitute for washing hands with running water as they may not remove bacteria.

There are a number of permanent toilet blocks with washing facilities on the Showground and their locations are clearly indicated on the Showground maps.

Always wash your hands thoroughly with soap and warm water
