

**TSR Judges Register Application Form for the 'H' Panel (HOYS) ONLY**

**Important Notes**

- TSR recognises the following panels which hold HOYS accredited judges BSHA, BSPS, NPS, CHAPS. Judges on these panels MAY be appointed to the equivalent TSR 'H' panel subject to approval by the TSR Independent Judges Body. *Judges may be asked for appraisal subject to the discretion of the Independent Body.*
- BSHA judges may be eligible to judge Plaited Pony Classes on the 'H' register if they are eligible to judge HOYS horse qualifiers. To be appointed to the Pony register they will need to attend a training session on marks.
- Judges already eligible to judge HOYS plaited pony qualifiers in one category will be eligible to judge all categories on the TSR 'H' **Pony** register except WHP (see below). For example a judge who can judge HOYS Show Ponies will be eligible for the TSR 'H' **Pony** register and judge HOYS qualifiers in all the categories listed for the *Pony* register (this does not include M&M or WHP).
- Shows holding HOYS Pony, Coloured & M&M qualifiers can choose judges from the TSR 'H' PONY, COL & M&M judges registers. *Shows holding HOYS HORSE qualifiers can only choose judges from the relevant society BSHA.*
- If a judge is not already appointed to judge HOYS qualifiers then they will need to apply to TSR and complete an assessment for the H panel.
- Existing Breed Panel judges can only be appointed to the 'H' M&M register for their breed. If they wish to apply for M&M Ridden (Large, Small Breeds & Juniors) or M&M LR/FR they will need to be assessed.
- Existing BSPS M&M starred panel judges can only be appointed to the 'H' M&M LR/FR & WHP registers. If they wish to apply for M&M Ridden (Large, Small Breeds & Juniors) they will need to be assessed.
- Judges applying for RIDE who are NOT already accredited HOYS level Ride judges will be asked to attend a RIDE assessment.

Title ..... Name: .....

Address:.....

.....County:.....

Postcode:.....Telephone No.....Mobile:.....

Email:.....Date of Birth:.....
