IMPORTANT INFORMATION

EQUINE INFLUENZA VACCINATION REQUIREMENTS

Flu vaccinations are mandatory for all registered horses and ponies and they must be in possession of a valid flu vaccination certificate. It is the owner's responsibility to ensure that the horse's vaccinations are up to date and correctly recorded on the diagrammatic vaccination record. Spot checks will be regularly carried out at shows. The horse/pony must have received two injections for primary vaccination against equine influenza given no less than 21 days and no more than 92 days apart. Only these two injections need to have been given before a horse/pony can compete in competitions. In addition, a first booster injection must be given no less than 150 days and no more than 215 days after the second injection of the primary vaccination. Subsequently, booster injections must be given at intervals of not more than one year apart. Horses/Ponies must have received the full course of vaccinations or the booster at least 7 days prior to the competition date, and not more than 1 year after the previous booster.

1. AMATEUR DEFINITION

Competitors must be bona fide owners (or such persons nominated by the owner to be their authorised agent to make the entry on the owner's behalf) at the closing date of entry of the horses/ponies which they are entering.

The person who made the original entry will be considered the owner (or their authorised representative) and he/she alone will be recognised as being entitled to any prizes or prize money which may be won by the entries made by him/her. 11. IDENTITY DOCUMENTATION

Exhibitors are required by DEFRA to carry with them Official Identity Documents for all horses/ponies when competing or travelling. Competitors are reminded that it is a DEFRA requirement that the Official Identity Documents must be in the name of the legal owner within 30 days of ownership. The age and height of each horse/pony entered and any other specific particulars must be accurately stated at time of entry if required by the conditions of the competition. A false declaration or mis-statement of any kind, including change of name of a horse/pony, incorrect description or false declaration of prizes won at horse shows, may at the discretion of the Organisers; disqualify a competitor from the Show and the horse/pony entered from any prize and from entering or being entered again at the Show.

In particular, a mis-statement as to the height will automatically render the animal ineligible for any judging or prizes. Competitors must be prepared to verify any statement made in a manner required by the Organisers. All entries must be made in the name of the horse/pony under which it is registered with the relevant association/society and must correspond with the name shown on the Annual or Full JMB Certificate and National Passport at all times.

15. DECLINING ENTRIES

The Organisers may at their absolute discretion, decline any entry, exclude or remove any person or animal from the Show or future Shows or return any entry fee without being required to assign any reason or being liable for any compensation.

Failure to exhibit any animal entered will entail forfeiture of entry fees and charges for stabling, passes and horsebox parking if appropriate. **No refund will be made in any circumstances.**

17. CANCELLATION

The organisers are entitled to cancel The Showing Register Premier Amateur Show, upon the serving of notice to the entrant of such cancellation, not less than 48 hours prior to the event; OR an event of Forces Majeure. For the purpose of this cancellation clause "Force Majeure" means an act of God including but not limited to fire, flood, earthquake, windstorm or other natural disaster, act of any sovereign including but not limited to war, invasion, act of foreign enemies, hostilities (whether war be declared or not) civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, nationalisation, requisition, destruction or damage to property by or under the order of any government or public or local authority or imposition of government sanction embargo or similar action; law, judgement, order, decree, embargo, blockade, labour dispute including but not limited to strike, lockout or boycott; interruption or failure of utility service including but not limited to electric power, gas, water or telephone service; failure of the transportation of any personnel equipment, machinery supply or material required by Grandstand Group trading as The showing Register for the provision of show services breach of contract by any essential personnel; any other matter or cause beyond the control of Grandstand Group and its associated companies.

All entries shall stand for any postponed Show unless withdrawn by written notice to the Show Secretary within one week of notification or public announcement in the press of such postponement. The postponement or abandonment of the Show, either before the opening or at any time during the course of the Show, shall not give rise to any claim whatsoever against the Show or the Organisers by the competitors or others except for refund of prepaid entries in respect of classes or competitions not held. In the case of postponement a refund will only be made in respect of entries duly withdrawn. Should any competition be cancelled because of bad weather or any reason, entry fees will be refunded. It is regretted that stabling and other charges cannot be refunded.

Any competition for which there are not at least four entries under the ownership of different competitors may be cancelled.
