SIMPLE GUIDE TO THE POINTS LEAGUE

FULL DETAILS OF THE LEAGUE ARE AVAILABLE ON THE WEBSITE

1. Points will be awarded at a number of HOYS qualifiers being held during the 2025 season up and until the 31st August 2025. This list will be available in the New Year
2. Points are awarded to the horse/pony. For example: Carol has a pony called Timmy and 2 children, William and Miranda.

Miranda is going to ride Timmy in first ridden classes and William in lead-rein.

Sometimes they swap.

In both instances the points will be allocated to Timmy in each of those sections whether he is ridden by William or Miranda.
3. At the end of the season we will take the top 5 results of that pony in that section in order to get a winner in each section
4. If a horse/pony wins more than one section then it can only take the qualifier in one of those sections and that will be the one with the most points awarded.
5. If the horse/pony is sold before HOYS then the qualifier is handed down to the eligible next combination. **For Clarity: you cannot sell the animal with the ride.**
6. All combinations must be **FULL HOYS TSR** members before 1st May 2025 to be eligible – **this cannot be done retrospectively**
