

The Showing REGISTER

SIMPLE GUIDE TO THE POINTS LEAGUE

FULL DETAILS OF THE LEAGUE ARE AVAILABLE ON THE WEBSITE

1. Points will be awarded at all shows holding eligible HOYS qualifiers during the 2026 season up and until the 17th August 2026.
2. Points are awarded to the horse/pony.
For example: Carol has a pony called Timmy and 2 children William and Miranda.
Miranda is going to ride Timmy in first ridden classes and William in the lead rein.
Sometimes they swap.

In both instances the points will be allocated to Timmy in each of those sections whether he is ridden by William or Miranda. (All riders must fall under the amateur status)
3. At the end of the season, we will take the top 5 results of that pony in that section in order to get a winner in each section. Ponies must get a minimum of 10 points.
4. If the same combination wins more than one section, then it can only take the qualifier in one of those sections and that will be the one with the most points awarded.
5. If the horse/pony is sold before HOYS then the qualifier is handed down to the eligible next combination. **For Clarity: you cannot sell the animal with the ride.**
6. All combinations must be **FULL HOYS TSR** members before 1st May 2026 to be eligible – **this cannot be done retrospectively**
7. If you have taken a direct qualification (1st Place) in any HOYS class, that horse/pony is **not** eligible to win the point league in any section.
